Hi Bill

We want to thank you once again for a fantastic night! Everybody absolutely loved it.

It was my intention to surprise everybody at the party with a Hypnotist, and we certainly did that. Joshua had a great 18th Birthday.

His friends loved the characters he and the other people in the show portrayed.

Some of the Grandparents, and friends, had to rest up for a couple of days after the show, because they had never laughed so much in a long time.

I will be asking you to return for our other son's 18th, birthday at the end of next year.

Fun- Laughs- Friendliness- and most of all you and your subjects **ENTERTAINED** us all!!

Yours Sincerely

Beth, Gary, Joshua and Stuart.

Thank You!!! GOOD LAUGHS!!!
